

Launching the New England Chapter of PWIPM

You are invited to join us for breakfast (free) on Friday, November 3, 2017 at 7:00 am at the Holiday Inn located at 700 Myles Standish Boulevard in Taunton, MA. This is being held in conjunction with NEPMA's Fall Training Seminar & Expo.

PWIPM has been providing educational programs for women, holds council meetings at each of the NPMA events, etc. PWIPM also awards an annual scholarship for a female interested in advancing or securing a career in the pest management industry.

Last October at Pestworld there were over 50 women that attended the PWIPM Council meeting. It was extremely inspiring to see not only the number of attendees, but the dialogue for future meetings and ideas in the industry. I was honored to be among these women that have paved the way and dedicate themselves regularly to empower other women. Whether you have just entered the pest management industry or a veteran, I can't urge you enough to be involved with PWIPM to encourage your ideas, support your achievements and provide you with opportunities for yourself and your business.

Please join us at this inaugural breakfast meeting.

Marillian Missiti
PWIPM of New England Chair
